

# Lethality Assessment Program

**LAP Link:** A newsletter to update Lethality Assessment Program (LAP) participants.

Volume 5, Number 6 | June 2016

## NEW! Logo

The Maryland Network Against Domestic Violence (MNADV) is excited to unveil the Lethality Assessment Program (LAP) logo. The logo is the first step in a rebranding initiative. In the coming months, the LAP information, training and implementation documents will be revised to reflect the new logo and brand.

## NEW! Research Article

A new research article by Dr. Jill Messing and Dr. Jacquelyn Campbell (both LAP Advisory Council members), among others, has been published about the LAP, "The lethality assessment program: Which survivors of intimate partner violence are most likely to participate?" The article can be found [here](#).

## NEW! Guidance on Body-Worn Cameras and LAP

MNADV, in collaboration with the LAP Advisory Council and several other national organizations, developed the following: **Guidance on the Use of Body-Worn Cameras (BWC) During the Administration of the Lethality Assessment Program (LAP)**. The protocol can be found at: <http://mnadv.org/lethality/lap-nationally/>

MNADV will be hosting a webinar on **June 27th at 3:00 p.m. EST** for LAP participants. To register for the webinar, go to: <https://ta2ta.org/mnadvbcjune>. Please

## COMING SOON! LAP Website

MNADV is developing a LAP website, which is expected to go live in September/October 2016. Stay tuned for the new website address.
